Resumé
Submission

Series Director: MARK HAMILTON • 617-803-6870 • mhamilton@jpkeefehs.org

Competition: Blackstone - Computer Lab Rooms 510 & 511 with Event Manager: Steve King

REQUIREMENTS AND SCOPE OF CONTEST

Advisors will be sent log-on information for the **Learning Management System**, which will be open on April 10.

Contestants must submit an electronic copy of their resumé to the **LMS** by April 22, by 5:00pm.

Clothing Requirements: avoid a clothing penalty

SkillsUSA attire:

- Red SkillsUSA blazer, windbreaker or sweater, or black or red SkillsUSA jacket.
- Button-up, collared, white dress shirt (accompanied by a plain, solid black tie), white blouse (collarless or small collard) or white turtleneck, with any collar to not extend to the lapel area of the blazer, sweater, windbreaker or jacket.
- Black dress slacks or black dress skirt (knee-length) Wearing socks or hose is no longer required. If worn, socks must be black dress socks and hose must be either black or skin-tone and seamless/non pattern.
- Black dress shoes

or Professional Business Attire

NO cell phones or SmartWatches allowed

Tool Requirements: Contestants must submit online a one-page type-written resume, failure to do so will result in a 50-point penalty

Sharpened pencil and blank paper for storyboard/wireframe

8GB blank Flash Drive or Larger

Hardware Requirements: The team must provide all the computers, and interconnecting equipment.

Software Requirements: Any software can be used as long as it is properly licensed, we do NOT recommend the use of a Web Design IDE such as Wordpress or Dreamweaver.

Purpose:

To evaluate each member teams preparation for employment and to recognize outstanding students for excellence and professionalism in the field of web development.

State Skills:

The contest will require each team to build a web-site.

Project Evaluation:

Each team will be required to build a web-site for a non-profit organization. Each team will be given graphics, which can be used. They may be altered as the team sees fit. Teams will be required to submit a wireframe/storyboard to show their planning process. There will be no server side scripting or web server requirements. All projects will be submitted to the judges via flash drive. **Any previously developed documents or graphics that are used by the team will disqualify that team.**

Reference Material:

An HTML and a CSS cheat sheet will be provided. Students can also bring their own reference materials. Materials can be in the form of textbooks or pdf documents. Internet access will not be provided and will not be allowed. Phones and any other internet connected devices will also not be allowed.
